PERTANYAAN:

Dear Team IACCB,

I'm from one of bidder wanna ask question regarding RfT IACCCB_103 Heifers&6 Bulls – Retender

Here my questions:

1. Can I participate only some part of the tender? (ex. Only offer for productive female cattle only)
2. If we have the cattle already at our facility in Indonesia, can we offer those cattle? (the cattle are from Australia like the criteria)
3. At Annex B Letter, we found that the body of letter stated that we will offer 105 cattle, this is different from the criteria, which one should we write 103 or just follow the annex?

Hope we can get your replay soon.

Thank you.
